Thank you for submitting your Foster Application. To become a Friends of the Animal Shelter foster volunteer you must be in compliance with County Ordinances and State Laws that pertain to animals (information can be found at <http://jacksoncountyor.org/hhs/Animal-Services/Animal-Control-Regulations>). This means your dogs must be licensed, and your animal history/background checked.

I have read the above information and have answered the questions truthfully and completely. I understand that until all requirements for fostering have been completed, I am not approved to foster animals for the Jackson County Animal Shelter and Friends of the Animal Shelter.
